OHJA DIVISION CHAMPIONS

For all those that were Champion of their division for 2010 and would like to have their picture appear in the Chronicle of the Horse's 2011 Horse Show Issue please read the following guidelines carefully. If you do not follow the directions exactly as they are explained then your photograph will not be published in the magazines Horse Show issue.

Photo Guidelines:

Photos must be submitted **by the association only**. After the issue is published, the photos will be returned to the association.

ALL of the following information MUST be on all photos:

- Name of the Association
- Horse
- Rider in the photo
- Owner
- Photographer's name (even if not a professional)

Include **all** the information, even for equitation classes. It helps them to match the names to see if you have won in other organizations. And **double-check all spelling!**

Photos should be **color prints**.

Include photos for the **champions only** – reserve champions photos are not used.

They do not accept digital photos on disk or via e-mail for the Horse Show Issue. They can only accept prints.

The **photographer's authorization** for publications, if necessary, must be included with the photograph. For some photographers they have their releases on file. However, not all photographers give blanket releases and there are instances where this release is not sufficient. If in doubt, ask your photographer.

They will only accept original photographic prints. They will not accept copies of professional photographer's photos. They will also not accept proofs, photos that are not clear and of poor quality, digital images, or vignette prints and photos. If there are any questions regarding the authenticity of a photo, they will not be accepted.

If a horse or pony has won multiple championships, only one photo will be used. If a horse or pony won its division with one rider and another rider won an equitation division on that same horse or pony, the photo with the equitation rider on the horse or pony will be the one used.

Photos must be **action shots**. Do not send candid or award photos; they will be rejected.

Photos must be of **high quality** and must be printed on quality photo paper.

Photos must be no smaller than 3-1/2" x 5" and no larger than 8" x 10".

Photos must be from the **2010 show season**. If there is a sticker/stamp on your photo that shows a year other than **2010**, your photo will be rejected.

If your photo has a sticker on it, put there by the professional photographer who took the photo, that says it must be of a certain size before it can be published, then it must be of that size or be accompanied by a release from the photographer for that *specific* photo. **A blanket release from the photographer does not include these photos.**

Photos that are unauthorized copies of a professional's photo will be rejected. A professional photographer's photo will have a sticker or signature or something similar that identifies it as their photo. They cannot accept a professional's photo that you have scanned and re-printed. **A release from the photographer does not include these photos.**

All photos **MUST** come together with the results FROM THE ASSOCIATION'S SECRETARY. Photos should **NOT** be sent separately by individuals or by photographers. The association should verify all photos meet required standards before sending.

Please send your photos and direct any questions you have to:
